A PLAIN STORY.

On lune 7:1, 1775, Riemard Henry Les moved "certain resolutions in contress respecing independency." coin Adams secof only seven of the colon as were ready to vote on them and the subject was postboned untifuly ist that there might be 748 utmost cel peration. On July 18t, 1776, the Gelerates from a. the colon as except one met with full power to wer on these resolutions. The business began with reading various leaers. Among hem was a effer from Was 1ngion reporting the du. strength of the army at 7754. ()! tjese near y 1,200 were armed with fire ocas that were bad; more tian 800 had none at a ; 5,827 had no bayonets. Of the arge body of militia called out only a flousand lad joined the camp. With tals force General Washington was to defend 120 Wild & Atautic sea coastageinst 30,00) of the destricted it led so a era in the world. An express from Lee the same day made known the fact that Charon with hity/faces and ps radarrived before Charleston. This was anyin my out oneer ag to the delegates assembled. A. cay the resolution was debated, coin Acame az ng tie leac. It was postponed for ing consideration number u y 2nd. On has day another elter from Washington stated Tant Lowe with forty-five sines of Goods and arrived of Sancy Look. Under these circumstances the reso ut on was put and carried on the second day of will y, 1776, every colony young in its favor except New York, whose de egates pad not been instructed. It was a prave act pecause done with a full knowledge of the Canzers and after the most careful deiberation. Zdomas Jefferson ben drew up the dec aration and it passed on the evenion of any 4th, 1773. This is the simple story of our declaration. No applogy is needed for g ving its of repealed gary on the Cay. 'me-worn, as some o' 110 ex 2 ess ons n : 16 cec aration are, the document has a truth let ring to-cay. Stealing from American Authors

Wr ting on the supject of internationa copyright afteen years ago, Mr. . ames Partou began his essay with a striking siakement, as s his custom: "Deere s an American acy living at Sartford, in Connecticut, who United States has permitted to be robbed by foreigners of two nuncred knowsand country. Ler name is Marriet Beecher Stowe. By no disloya act has she or her family forfelted and to regain Khartoum; he will have to contrain right to the protection of the governten, himself with regaining the road to ment of the United States. She pays her taxes, see's the peace and earns her live i nood by honest incustry; she has reared chiltren for the service of the commonwes to; she was warm and active for her country when many around her were cold or hostile; in a word, sie is a good ditizen. More than that she is an illustrous citizen. The United States stands higher to day in the o taat American woman every berson on earth was read 'Incle Tom's Cabin' The fire season seems to be setting in. One incurred a bersons, obligation. Every indinears of nothing else every day. Last Fri- vicua, who became possessed of a copy of the book, and every one who saw the story played in a Deatre, was bound in natural fustice to pay money to her for service rendered, nn ess sne express y and forma y relinculated her the mineuse establishment of Whiteley, he right-which she never as cone." Ar. Parton's statement of the case is vehemen. Int his est mate of the loss to Mrs. Stowe, ewing to This tradesman has enjoyed the layor of the the absence of any way by which she could public to such an extent that als business has protect her rights in foreign parts, is none too grown in a few years from a small crapery, 1gl. Because the people of 196 Un tec. states have not chosen to give protection here concern to the largest retail house in ling and, to the works of foreign authors, lars. Stowe supplying everying from a benny Whistle has been robbed by foreigners, and the exient ran, and the Week y Magezine of Chicago, have to a white element, much to the wrath of Mr., of her loss as quite two hundred, thousand collars. Everybody knows too that in days about a rang But Jac e Baney seems, as the stadows of declining years gather around aim, to be giving way to that typica vice of PHILADELPHIA, cu y 7.—Lames Kane was o c age! an insatate greec o. go.c. hanged in the county of son at 10.06 and That this is true we are sorry to be obliged to turnish the fo around Lan fou wearing a custer on which was painted in boid, black etters: "A Coid Day When We Get Left." Incle Balley may have gone to beclast night with a larger bank account, but is same account won't bring pack his dignity-up essit is rarge enough o get im and the Jn Lec States senate.

'ne Denver accommodation which came

down at 7 p. m. on Friday evening prought plicated in the riot of time 28th have been the members of he Denver and Cheyenne shift up in the city prison since the occur- ciups. They were assigned to apartments at sensational turn in the arrest at Man, on Sat-rence. The prison was bac v vent, afec and the Manifou house by Messrs, Bailey & Walker, where the most of them remained until cays. Yestercay two of them were taken Monday. On the morning of the Fourth With spasms and cramps. Physicians called many of the members were invited to particim ssions and res gnations. The ray-n no cases a probable has a dearing w not be pronounced them cases of sporadic edocta. Date in a game of lawn tenns at driardurst, will be necessary to send away for the wife pital and are apparently coing we. The the home of Dr. W. A. Be , and in the afterprisoners were afterward taken into the police I noon there was a game of loase ball between court and thorough ye cance and disinfected. the two dubs in the Garden of the Gods. Ground lac been att. out last to the west' of the galeway and the REGINA, N. W. T., au y 7.-Louis Rie, was game was caled shortly after three as umpire and W. .. Spek of Denver as six counts, to Rie, who was remanded til the scorer. Only five innings were > syec the 20.1 nst. for tria. On y an escort of officials score at the conclusion standing 26 to 13 in favor of the Deaver club. The game was very amusing and was winessed by severa. nuncred meople. About 9 o'clock en 416 evenng of the Fourth there was a fine disp ay of Fre-works from in trout of the Yanitou house and ater a ballin Saratoga hall.

Litrocuotion and Adoption of Two New Liquor Ordinances.

A regular meeting of the council was held las; night with Alterman Stricker in the chair and the following members present: Skinner, Engles, Far ar, W. cer, Eemenway 11. on: and Emebaugh. The ournam of the last meeting was read and approved. The of here of the new section anders of less to comply Mo. ru es govern.ng the meetings of the council were suspended and on the motion of Alderman I me man a lose in the revised ord -ANOTICE and expessed of: 10 of 20 of 14L of 20 of 20 of 14L of 20 _d3ec_

The committee on a reers and circust asked for more time in which to present a report on the arrestan well pape; also more time on the paid the county assessor for his work for the Der Lon for a new street west of the Monn- city was discussed at some ength and re-

Dr. Streker, of de specia committee tion. composed of Messas. Simoxer, Emedanguand Wicer, presented a engigy report in which the ordinances were declared nyand. This - eport, was only signed by Strickler and me saugh, Capian Wicerne: favoring h

Co. Sammer moved that the report be acopied and the same special comm the con-Unuec on revision.

.ssomed. No

Colone. Sainner said that he could not see Mr. Richardson's introduction of vesterday Was as usua apt and the country of t of the drc nances unless to be that the whisky remarks of scholarly research and evine ng a fanalos were afraic that the Louor ord nance ween has in the the characters of the or no Would be cone away with __ the Quor ord_ pa actors in the play. Attention Bances were wrong why not correct them. He C C not see why such action should have C.sered ; on the ord nances.

Captain Wilder said that he had been given to uncerstand by the best legal authority in town that the Denver org nances were revised n the same way and had been sustained by "Shakes beare, n a play, brought in a number Le courts.

Mr. Farrar incleased that the revision was on y brought up for celay. What was she use of revising an ordinance which had never been tested. Not a single case had been brought under the revised ordinances.

A Cerman Lugnes sald that he was in favor of a revision and would vote for the

A vote on Co. Sainner's mo; on was la ren with the following result: Ayes—Illmebalga, SI mer, Suck er and Turies; noes-Wilder, Farrar and memenway. The mot on was neclared os a nasmuch as frequired a majority appeades on and enjoyment of which Mr. vete of the entire council.

"Ine reports of To. co Mag. strate Severy and City Treasurer Martin for the month of time were presented and placed on file.

deports were received from the live are companies showing that the Hook & Laccer Co. Dac 27 members, the Crowe, s. 19, France 29. Co ege 19. aczsons 27.

Dr. Su extersa dituations derade dad been sale about ce ay ng' quor proseculons and ne proposed to offer an ordinance for passage. Te hoped that the rules would be suspended and the ordinance passed mmediately. A motion was made to suspend and the following was in roduced by the doctor: An orc.nance concerning nulsances:

Be it ordained by the city connoil of the city of Colorado Springs.

Section .. Any person who shall by himse for another ether as of no. Da., c.erk, agent to hear in a very of nee of cramatic e ocuor servant, w. h.n. the corporate bouncar es o san cry, keep a repring house, or other pur Springs s now honorec. co ace where any intoxical ng ma.t. v nous m xec or fermentact cuots are a lower to be crunk, or se . any of the said . quots and suffer the same to be arank upon the premises 98.Wyde at 914 feli 898 more ao 10 4.08 profw under the control of the seller, shall in any of these ever is be deemed guilty of a nulsance and sha De fined not sess than fifty collars. The Takal Budget of News from Lianton nor more than three hundred collars for each abo every of ence.

The ord nance was referred to the city atformer, who said that it was all right. A vote being called for resulted in the ordinance being unanimous y carriec.

The rules were again suspended and the four following ordinance adopted:

CALDY ... QUOIS.

Be worderned by the city council of the city of Colorado Springs.

SECTION .. Whoseever by himself or another ether as principal, clerx, agent or servant sha sell any intoxicating, mall or fer- lam y of George In tell at the Mans on yesmented quors will not be comporated in the of said dity of w and none made beyond the outer bouncar es thereof, to be crank u ton the premises where sold, of on premises that Mandou yesperday and registered at the Iron are n anywise under the control of the se er. shall be fired not less than fifty collars nor more than three hundred collars for each and every offerce.
